

EQUALIS®

Feel The Same

Processed with a different manufacturing technique, Equalis® is designed with a new aesthetic touch and are easily available to use for interior applications like Office & Home Furniture, Kitchens and Bathrooms.

This special designs add not only depth to your living space but also create a natural light diffusion to create high value in appearance.

Now, you may feel the silky touch and the smooth surface on double side of Equalis® Series.

Equalis® creates Excellent Privacy, presents Low Reflection and provides you Privacy/Light Control.

"A common point of new aesthetic values meet with the quality of service that you are already familiar."
