

SIMPLE IDEAS  
I ELEGANT STYLE  
I SOFT TOUCH

Yorlux is a product to meet custom projects and different expectations. It has high quality and more light transmission. Yorlux has the light transmittance that keeps no fingerprint and gives a silky touch feeling as a result of the acid etching process applied. Can be applied on mirror or any type of glass. Create illusion in your spaces with the mysterious touch of the Yorlux.

We aim to inspire you with our first class flexibility, quality and reliability. Yorlux glass solutions combine the aesthetics that your imagine with the high quality. If you want to get the first day performance from your glass for many years, Yorlux is for you.
